

Sriju's Story of

HUMILITY

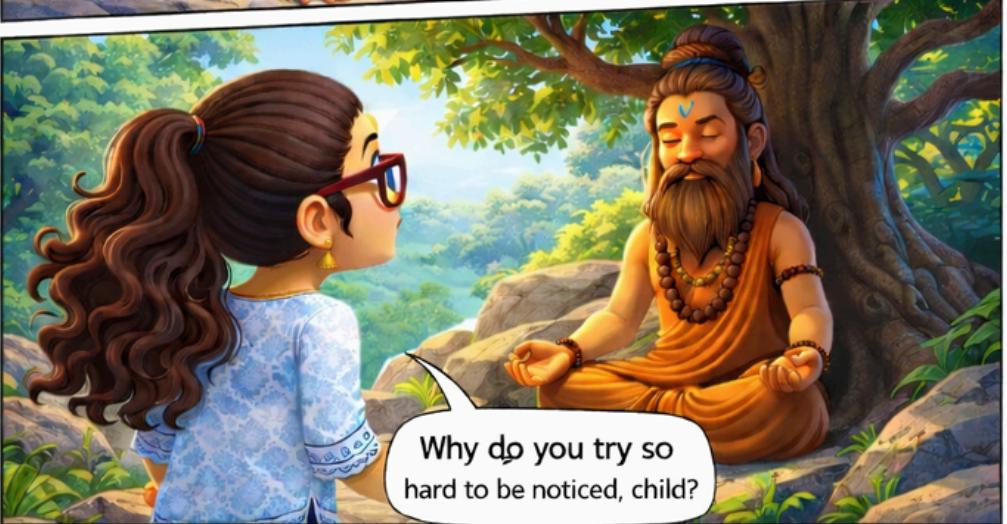

Everyone here
is showing off...

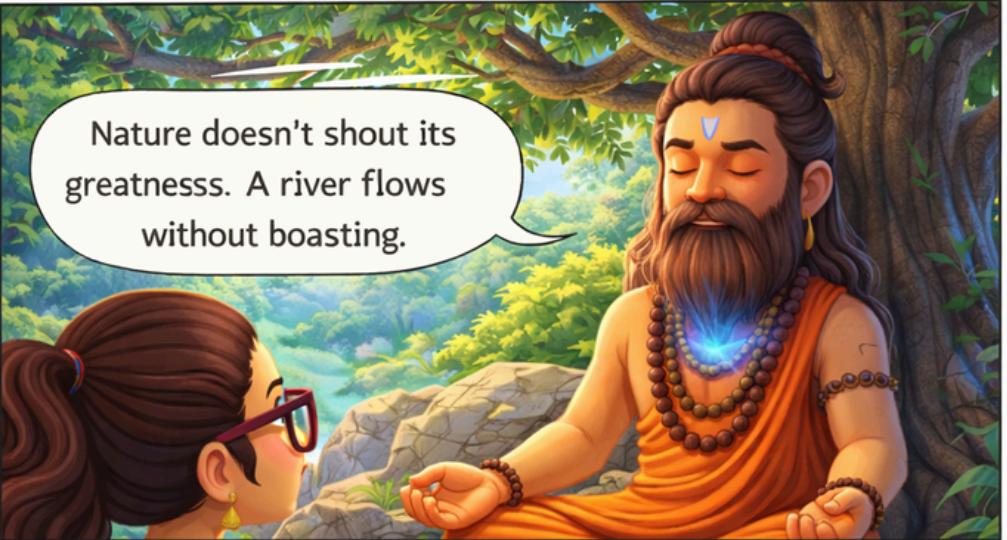

Is that all
you can do?

Why do you try so
hard to be noticed, child?

Everyone here is better
than me... I just wanted to prove!

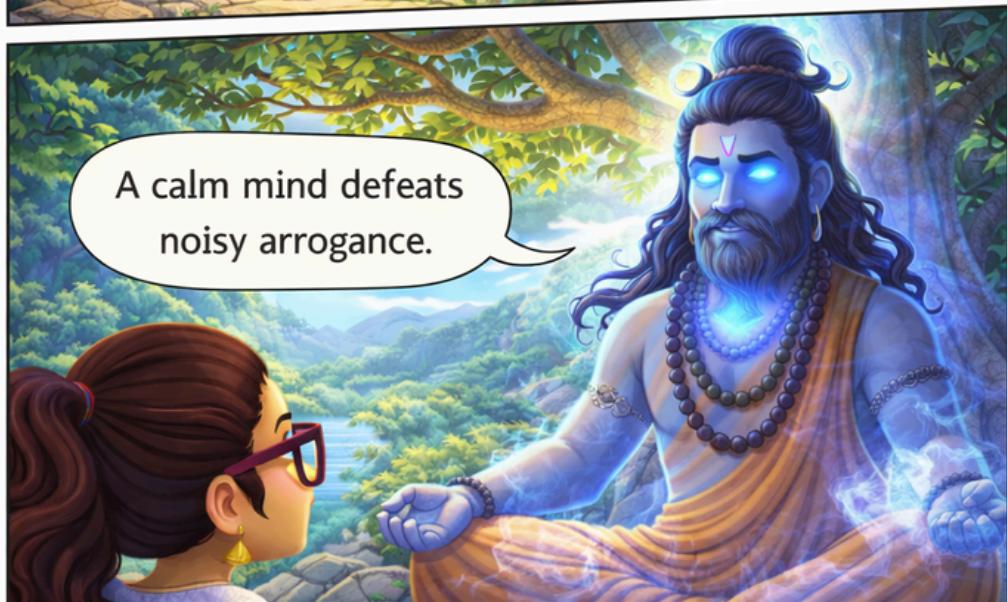

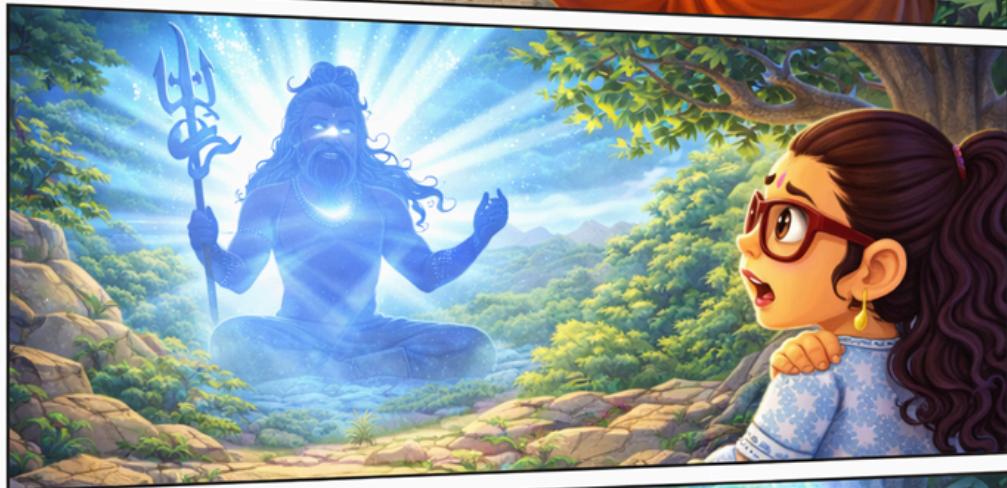

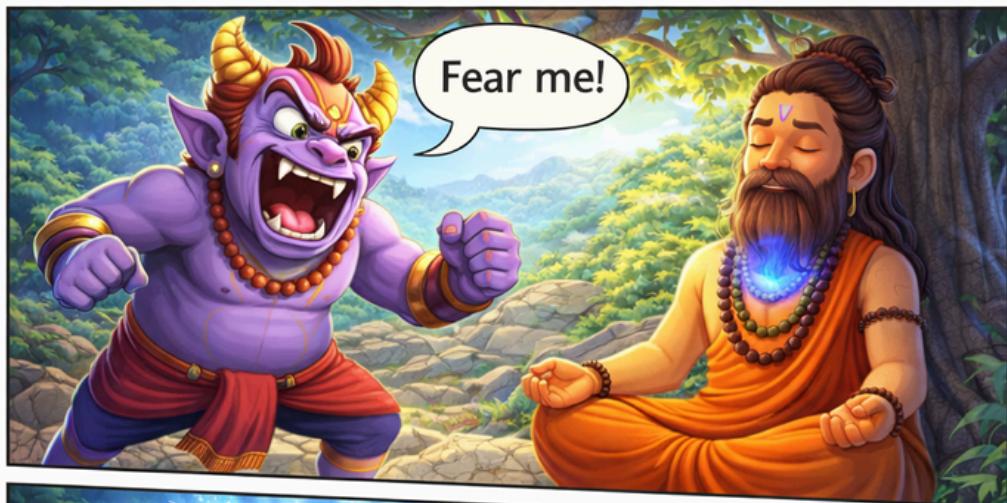

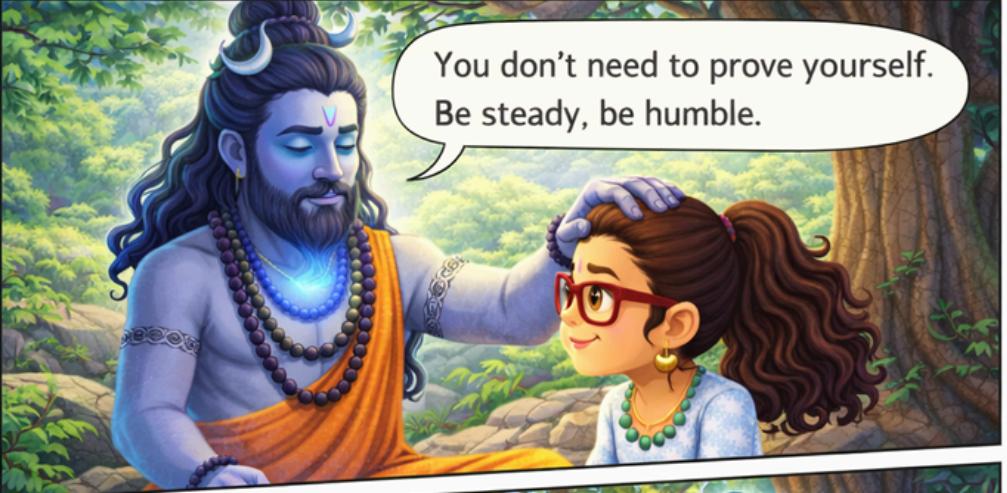

Nature doesn't shout its
greatness. A river flows
without boasting.

Bow to me!
I am the best climber
on this mountain!

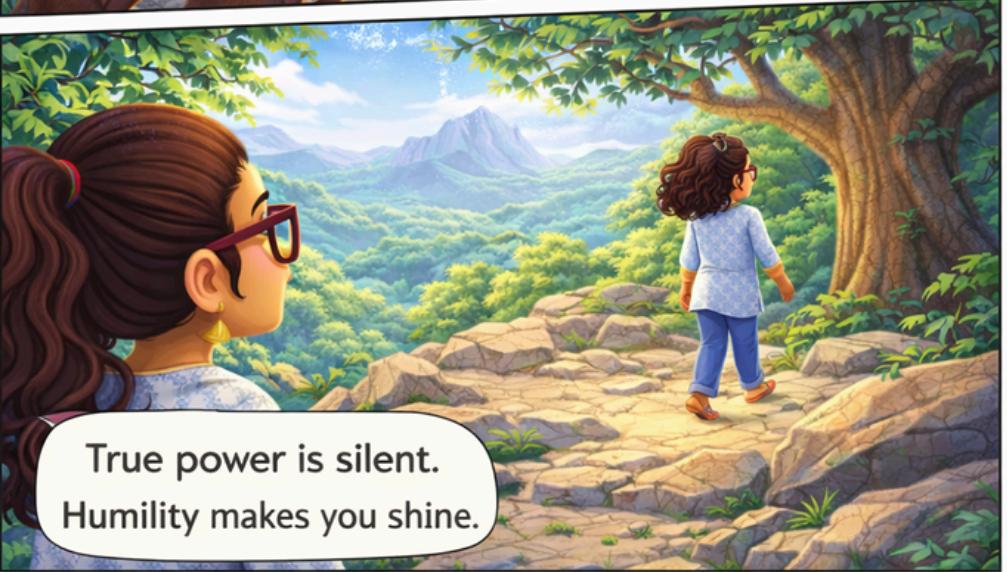

You don't need to prove yourself.
Be steady, be humble.

The quiet heart is
the strongest.

True power is silent.
Humility makes you shine.
