BREAKING NEWS!

THIS WILL HAPPEN TOMORROW!

Hmm...these all say different things.

How do I know which one is true?

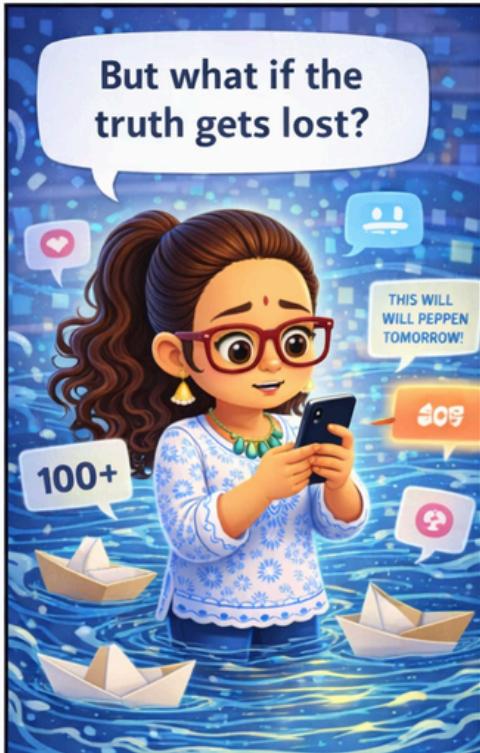

Too much information
can feel like a flood.

Some sound scary...
some exciting...

But what if the
truth gets lost?

Do not worry,
Sriju.

You're Matsya...
the first Dashavatara!

I protect knowledge
when it is in danger.

Truth does not rush.

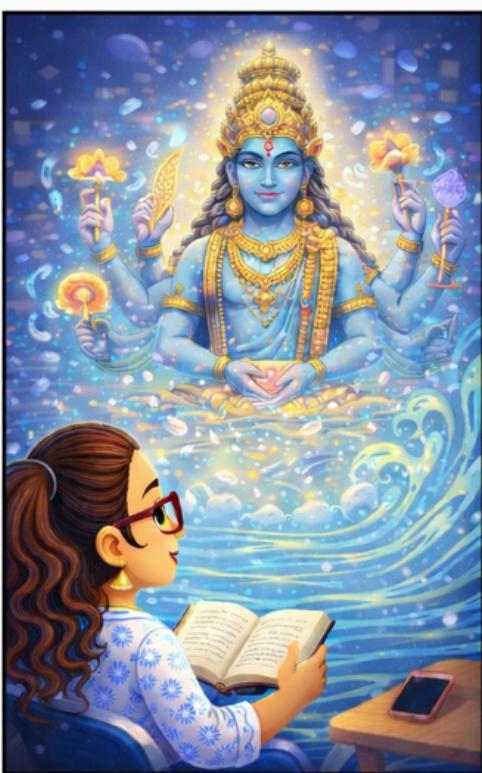

Pause. Check. Think.

So... I shouldn't believe everything I see?

Wisdom swims slower...
but safely.
