

When the Universe Needed **All the Gods**

How will you fix this?
You're gods... but all so different!

That is why the solution needs
ALL of us.

1. Brahma – The Creator

He creates a plan
to fix the sadness.

- ▶ Creates maps,
draws “Sadness
Detector”
- ▶ Finds the roots
of the problem

2. Shiva – The Transformer

Shiva destroys
the “Cloud of
Sadness.”

Sometimes, we
must clear away
the old to bring
new light.

3. Vishnu – The Protector

Vishnu sends waves of PEACE
and HARMONY to hearts on Earth.

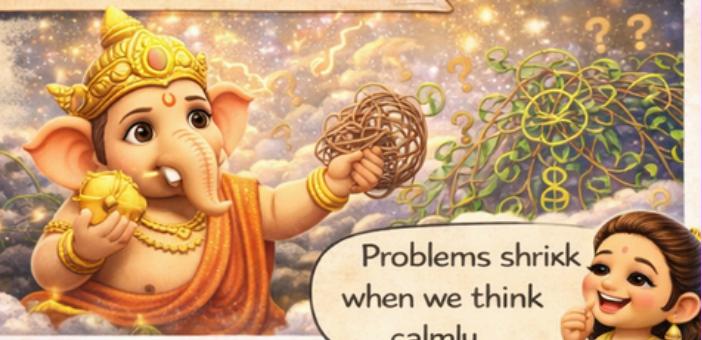

4. Parvati – The Mother of Compassion

Every being needs comfort. Even the strongest.

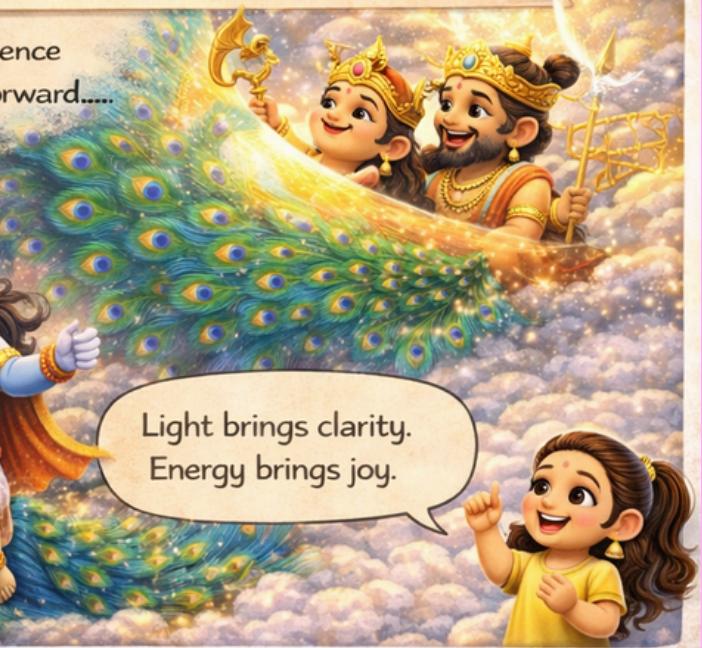

5. Ganesha – The Remover of Obstacles

Ganesha destroys the "Cloud of Sadness."

6. Kartikeya (Subramanya) – The Warrior of Courage

Courage is not the absence of fear—but moving forward.....
anyway!

Surya & Vayu – Energy and Renewal

Light brings clarity.
Energy brings joy.

Even the small jobs
matter.

Kartikeya sends waves of COURAGE

to hearts on Earth.

So the universe needs **ALL** of you...
just like every family needs each of us.

Teamwork makes the impossible possible.
Everyone has a special role in the universe.

Every being – small or big – brings
value to the Universe.
