

Kindness and a New Friend

A Heartwarming Story

Nature always has surprises, Tara.

Such fresh air!

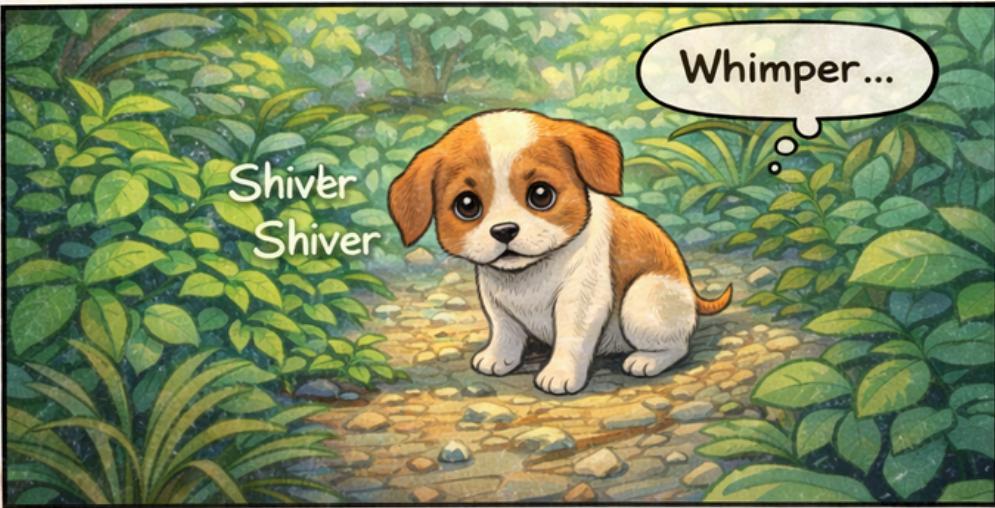

I heard something!

Whimper...

Look, there!

Whimper...

Shiver
Shiver

Whimper...

*Backs away...

It's okay, little one...
we won't hurt you.

Here, take this, puppy.
It's yummy!

Sniff Sniff

Whimper

Looks like he has chosen you, Sriju.

Can we take him home?
Can we?

We'll check first, but...

No tags, no signs.

Let's take him home.

Yay!

Whimper..

Every act of kindness returns
as a little bit of love.
