

MAHASHIVRATRI

THE STORY OF SHIVA

Sriju Didi,
what is Mahashivratri?

A young girl with brown hair in a ponytail, wearing a yellow shirt and pink pants, is sitting on a patterned rug and pointing her finger. She is looking at a boy who is sitting cross-legged, wearing a blue shirt and blue pants. They are outdoors at night, with a starry sky, a crescent moon, and hanging lanterns in the background.

It's the Great Night
of Lord Shiva!

A girl with long brown hair, wearing red-rimmed glasses, a blue patterned shirt, and a green necklace, is sitting cross-legged and pointing her finger. She is looking at a boy who is sitting cross-legged, wearing an orange shirt. They are outdoors at night, with a starry sky, a crescent moon, and hanging lanterns in the background.

Why is it
special?

Because amazing things
are remembered
on this night...

Sriju Didi,
who is Lord Shiva?

Lord Shiva is
the god of strength,
kindness, and
transformation.

Transformation?

Wow...

That's amazing!

And let me tell you how
Shiva once saved the
entire universe...

Saved the universe?!

Long ago, gods and demons churned the cosmic ocean...

They were searching for a divine nectar.

Poison also came out from the churning, and Shiva drank it to save the universe.

Oh no!

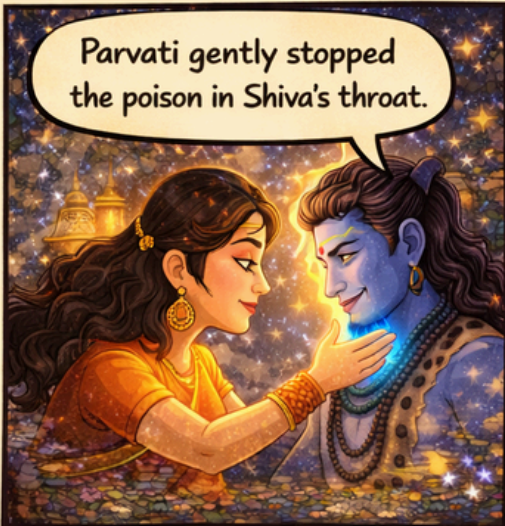

Was Shiva okay?

Sriju Didi...
was Shiva okay?

Yes... but something
magical happened.

Parvati gently stopped
the poison in Shiva's throat.

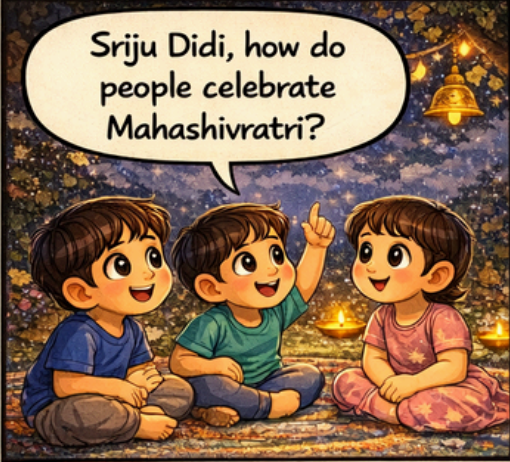

His throat turned blue,
and he became Neelkanth!

Wow!

That's so cool!

That's why Shiva is
called the protector
of the universe.

Sriju Didi, how do people celebrate Mahashivratri?

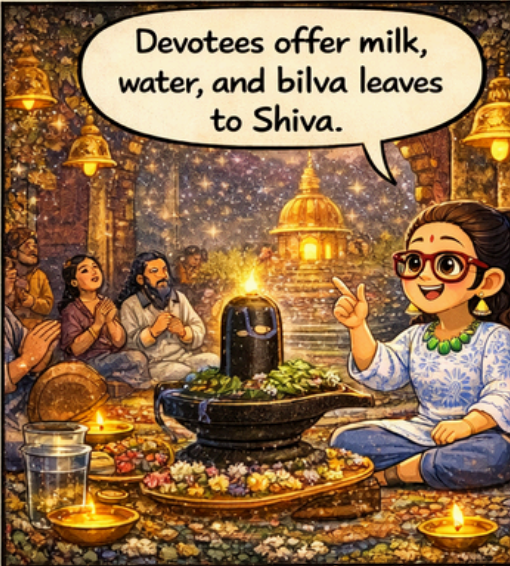

People pray, fast, and stay awake at night!

Stay awake all night?

Yes! It's called Jagaran—a night of devotion and awareness.

Devotees offer milk, water, and bilva leaves to Shiva.

That looks beautiful!

I want to try Jagaran!

Sriju Didi... Shiva is really amazing.

Yes... Shiva teaches us something very important.

To stay calm in difficulties...

To protect others...

Om Namah Shivaya!
