

Have You Tried Restarting?

Try
restarting?

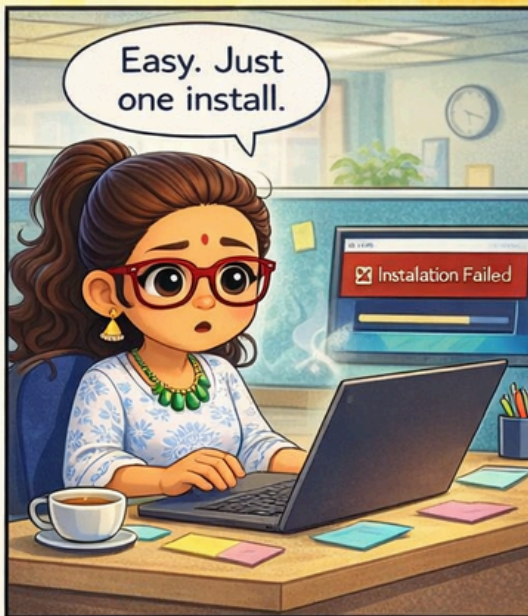

Sriju vs. Office Tech Fails!

Have You Tried Restarting?

Today is a productive day.

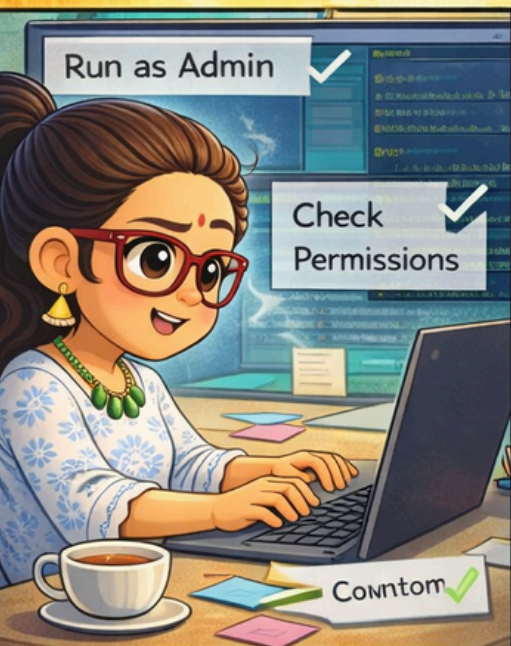

Easy. Just one install.

Okay system. Let's play.

Have You Tried Restarting?

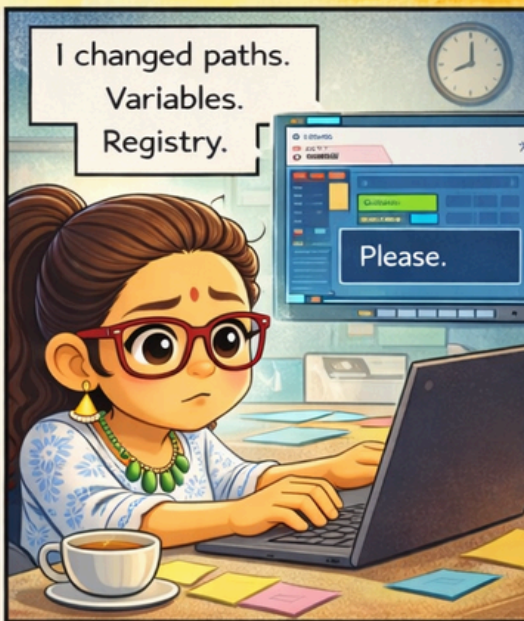

Have You Tried Restarting?

2 hours later...

I changed paths.
Variables.
Registry.

Please.

I will become a
monk.

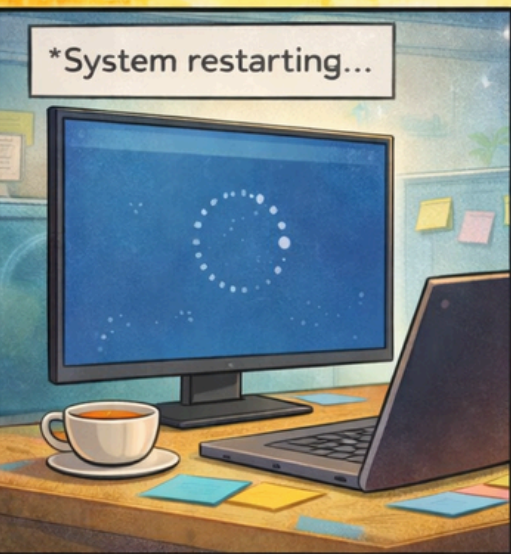

Have You Tried Restarting?

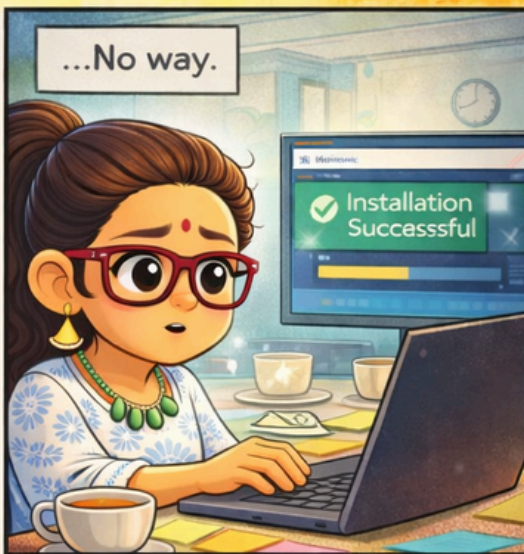

Have You Tried Restarting?

*System restarting...

...No way.

...Oh.

So much effort.
For one restart.

IT RULE #1: RESTART. ALWAYS.
